

# Cherry Jul - Russian born blonde Pornstar Model

## A Russian Porn Babe to enjoy

Cherry Jul is like a dream come true for most of us. Wonderful natural and slim body, yet with curves in the right places, innocent sultry look, sexy blonde hair, and the will to please you! You can't beat that horny innocent, yet slut like look she has.

She reminds us a bit of girls like [Sophie Moone](#), only with the difference that Cherry Jul isn't above shooting the most nasty stuff for your pleasure. Everything from posing for sweet solo shots, to girl girl, to getting double penetrated by huge cocks.

For a long time she worked exclusively for [CherryJul.com](#), but recently she started producing new dvd's and working for other sites as well. We are guessing it won't take long before she starts taking cock all over the place! Nothing wrong with the work she did for [CherryJul.com](#), but more Cherry Jul can never be a bad thing!
