

# Cindy Hope - fresh new model

**New sexy young model, small breasts, beautiful face, long brown hair**

Cindy Hope, also frequently called Claudia or Klau, is another new model. We really don't know much about her yet, other than that she is a very pretty and sexy. She has something of a latina look over her, and we like that.

Great news! It's beginning to look like Cindy Hope will deliver and turn into a true hardcore porn girl. Already has she tried kinky stuff like fisting, and now she takes cock!
