

Mya Diamond, Sexy pornstar and model

Asian looking, well trimmed sexy body, and naughty

Mya Diamond is a real hot pornstar. If you are weak for the Asian, Thai style, then you will probably fall in love with Mya Diamond. Same thing if you love sexy legs. She has a great body, absolutely perfect sexy legs, medium size boobs and long black hair. When she moves around in a pair of high heels she looks truly awesome. She is fairly short too and for some of us that is a turn on as well.

She has her very [own fan site](#) too if you find you want more of her!
