

Sophie Moon - Leggy blond cutie

Year of Birth: 1981

Place of Birth: Hungary

Height: 168 cm

Weight: 50 kg

Alias: Sophie Moon, Sophie Moone, Sophie Sweet, Sasha Saint, Reni, Renata, Rene, Sophia, Stella, Sandy, Sophie Moore, Sofie

Sophie is a blond cutie with long sexy legs and a nicely shaped ass. Our favorite Sophie Moone view is in high heels, from behind, bending over!

Sadly she is one of those models who only did a couple of boy girl hardcore sets early in her modelling years, nevertheless she is a sexy blonde cockteaser.

She also has a [site dedicated solely to her](#).
