

Nikki Rider, Vica Ryder - hardcore pornstar

Submissive slut, great body, implants, sexy face!

Vica Ryder, aka Nikki Rider is a pornstar slut with a great body and implants. She seems to be a bit submissive and has done several rough hardcore scenes where she gets fucked hard and long in every hole, not to mention depthroated and facefucked. She has accomplished much in short time, we should get to see much more of her, we suspect.
